1 - Introduction

Your Application

We recommend that you read all product literature, including the Policy Terms and Conditions, Policy Guide and your quotation, fully and carefully, before you complete this form; and seek guidance from your financial adviser or insurance broker regarding the suitability of this Policy to your own particular circumstances.

Once your application has been accepted and your Policy has started, you will receive an electronic copy of your Policy schedule, which you should also read fully and carefully during the cooling off period. You are entitled to ask for a copy of your application form at any time. You should keep all correspondence and documents related to your Policy in a safe place for future reference.

Completing this Form

All the questions we ask are relevant and important. If your application is incomplete or does not include all the information we ask for, it will result in delays. If you require more space to write your answers, please attach any additional sheets you may have used to this application. You must sign and date any additional sheets you attach.

Please tick here if additional sheets are attached.

Please complete the form in English. If you are completing it by hand, please use blue or black ink, and write clearly in BLOCK CAPITAL letters. If you make an error, please cross it out, write the new information clearly, and initial each corrected error. Do not use correcting fluid or other methods of removing incorrect information.

Full and Complete Disclosure

You must complete all sections accurately and completely to the best of your knowledge. We have the legal right to cancel any Policy issued, or not pay a claim, where the application form contains false or incomplete information.

Medical Evidence

WE WILL ONLY PAY FOR MEDICAL ASSESSMENTS AND/OR EVIDENCE WHICH WE HAVE SPECIFICALLY REQUESTED.

2 - Start Date

A specific Start Date is normally only required for policies which will cover loans, such as mortgages and therefore required to be in place by a certain date. Generally, policies required for family or business protection do not require a specific Start Date.

Once your application is accepted, we will start your Policy immediately after we receive your first premium, unless you instruct us otherwise, or you state a specific date here on which you require the Policy to start.

Please apply a Start Date of

dd/mm/yyyy

(If you leave this blank, your Policy will start after we receive your first premium.)

If your application is not accepted on standard terms, your Policy will not start until we receive written acceptance of any revised terms we have offered, and have received your first premium.

Insurance cover cannot be assumed to be in place until your first premium has been received.

IMPORTANT – CHANGES IN HEALTH OR CIRCUMSTANCES BEFORE THE START DATE

You must inform us of any changes in your health or circumstances which occur between the date of this application and the Start Date of your Policy, which would have resulted in you providing different answers in this application.

Such changes would include developing a symptom of any type which is asked about in this application, or having or expecting to have doctor, hospital or clinic consultation, treatment as an in-patient or out-patient, or a blood test for any reason.

They would also include any changes or planned changes to your lifestyle such as taking up any hazardous sport or pastime, or intending to do so; as well as any changes or planned changes to your occupation, country of residence, or travel obligations.

To inform us of any such changes, please email administration@unihealthandlife.com; and we will confirm in writing whether any non-standard terms are proposed for your Policy.

Failure to inform us of any such change may result in non-payment of a claim, or cancellation of your Policy.

7 – Education and Income Details

Our quotation engine requires information about a person's age, gender, nationality, residence and smoking status to produce a basic quotation. We also ask for information about education and income at the quotation stage as a means of determining the fairest pricing for every applicant, as higher levels of education and income may result in a discount to a person's nationality or residence pricing. (Note that this will never result in a higher premium)

If your education and income information has not been considered at the quotation stage, and your premium reduces by taking this into account, we will adjust the premium level accordingly before the Start Date and inform your financial adviser.

12 – Access to Existing Medical Records

We might not contact your Doctor. Even if we do, you must still disclose all facts and information when completing this application form.

We may need medical reports to support your application. Before we can ask any doctor you have consulted to fill in a report, we need your permission. Before you give permission, you should read the Medical Examination Report the doctor will complete to understand which questions are asked. You do not need to give your permission, but if you do not, we may not be able to proceed. This will not prevent you from applying to other companies for insurance.

You can ask to see the report before the doctor returns it to us; in which case, you must instruct the doctor not to release the report until you have arranged to see it, and given them permission to send it, but this will delay your application. If you choose not to see the report at this stage, you may ask the doctor or us for a copy at any time.

If you think that any part of the report is not factually correct or is misleading, you may ask the doctor to amend it. If the doctor refuses to make the amendments, you may ask them to attach a statement outlining your views, which will then accompany the report. Your doctor can withhold access to the report from you if they feel it would cause physical or mental harm to you or others.

We do not ask your doctor to reveal information about negative tests for HIV, Hepatitis B or C, or any sexually transmitted diseases unless there could be long term effects on your health; or predictive genetic tests unless there is a favourable test result showing you have not inherited a genetic disorder your family suffers from.

The information you and your doctor provide about your health may result in us refusing to provide insurance; offering you cover at a higher than standard premium; applying an exclusion to the cover; or accepting your application at standard rates.

13 – Declaration

This declaration must be signed by each Life Assured and each Policyholder (where applicable).

1. This application is my official request to enter into a contract with Guardrisk Life International Limited providing the foregoing Policy. I understand and accept that the contract will be on Guardrisk Life International Limited's standard Terms and Conditions for Unilife SES Assurance and SES Life policies (as applicable to my application).

I understand and accept that Guardrisk Life International Limited is subject to the supervisory arrangements and laws of Mauritius; and that the Unilife SES Assurance and SES Life contracts are governed by the laws of Mauritius; and that all disputes relating to this Policy shall be subject to the jurisdiction of the courts of Mauritius; except as otherwise expressly agreed by the parties in writing. I understand and accept that this application can only be accepted by employees of Guardrisk Life International Limited or Unilife Limited, and that no other parties have the necessary authority to create a binding contract.

2. I/We acknowledge that, in the event of any premium tax or withholding tax being levied in my/our country of residence, it will be my/our responsibility to settle such tax liabilities directly with the relevant tax authorities; or where there are any statutory reporting requirements by any authority in my/our country of residence related to any premiums paid or insurance contracts owned, it will be my/our responsibility to make such reports as may be required directly to the relevant authorities.

3. Where I am a Life Assured, but not a Policyholder, I consent for this application to proceed for insurance on my life.
